**Call to Order.** Greg Gallagher, Facilitator, called the business meeting of the BHPC Legislative Committee to order at 11:08 AM, CT.

**Members Present.** Emma Quinn, Carlotta McCleary and Teresa Larsen.

**BHPC Members/Staff Present.** Tami Conrad.

**Facilitator.** Greg Gallagher, The Consensus Council.

**Legislative Committee Charge.** Greg Gallagher provided background information outlining the committee's responsibilities, including (1) identifying prospective legislative initiatives aligned with the purpose of the BHPC; (2) monitoring legislative initiatives through the legislative process; (3) coordinating communications with BHPC members and facilitating effective BHPC input throughout the process; (4) soliciting the active participation of BHPC members; (5) drafting legislation that might advance the aims of the BHPC and the state's behavioral health strategic plan; and (6) empowering the BHPC Legislative Council, with full participation of the BHPC Executive Committee, to transact legislative activities that support the aims of the BHPC.

**Approval of Agenda.** Mr. Gallagher reviewed the March 19, 2021, meeting [Agenda](#). Members expressed satisfaction with the agenda. Mr. Gallagher recorded the committee's approval of the agenda, as presented.

**Approval of Minutes.** Mr. Gallagher reviewed the minutes from the March 12, 2021, BHPC Legislative Committee meeting. Members expressed satisfaction with the meeting minutes and Mr. Gallagher recorded the committee's approval of the minutes, as presented.

**Review of Legislative Calendar, March 15-19, 2021**

**Review of Legislative Calendar, March 22-26, 2021**

**Review of Department of Human Services Executive Budget, HB 1012**

Mr. Gallagher noted the prior distribution of the Protection and Advocacy's [GRID Report](#). Members offered general comments on the week's legislative activities and elected to focus discussions on a limited number of specific topics, focusing attention on ensuring that BHPC testimony has been prepared and submitted to the appropriate committees.

*Support for a New State Hospital.* Members noted that the Senate Appropriations Committee had scheduled to hear testimony next week regarding the proposal to build a new State Hospital. The BHPC has previously endorsed this proposal and testified in support of it on the House side. Members requested that Emma Quinn work with Brenda Bergsrud to ensure the submission of written testimony to the Senate Appropriations Committee stating BHPC's strong support for the building of a new State Hospital. Ms. Quinn stated that she will follow up with Ms. Bergsrud to submit written testimony on behalf of the BHPC.

*HB 1035, Juvenile Justice Act.* Members observed that [HB 1035, the Juvenile Justice Act](#), was scheduled for a hearing on March 23, 2021. HB 1035 advances a series of meaningful reforms for the care of individuals with SED in the juvenile justice system, who constitute a large percentage (~79%) of individual in the system. Members agreed that the BHPC should submit written testimony in support of HB 1035.

CARLOTTA MCCLEARY MADE AND TERESA LARSEN SECONDED A MOTION COMMITTING THE BHPC TO SUBMIT WRITTEN TESTIMONY IN SUPPORT OF HB 1035, THE JUVENILE JUSTICE ACT. THE MOTION PASSED UNANIMOUSLY. MR. GALLAGHER ANNOUNCED THE PASSAGE OF THE MOTION.

Members requested that Carlotta McCleary prepare and submit written testimony in support of HB 1035, on behalf of the BHPC. Ms. McCleary agreed to prepare and submit the testimony on behalf of the BHPC.

*HB 1012, DHS Executive Budget.* Members noted three pressing issues within [HB 1012](#), the DHS Executive Budget, that were identified by members of the Senate Appropriations Committee: (1) building a new State Hospital; (2) securing Medicaid Expansion, and (3) reconciling the SUD Voucher. Members observed that these items appear to be priority concerns of the Committee, requiring careful monitoring.

Members followed up on discussions from the March 5, 2021, and March 12, 2021, BHPC Legislative Committee meetings regarding the standing of peer support services, especially peer support for non-eligible Medicaid 1915(i) individuals. Members reviewed recent efforts to support funding for statewide behavioral health services, as set forth within Aim 12 of the state's behavioral health strategic plan. Teresa Larsen, designated Aim 12 BHPC liaison, is working with Bevin Croft and DHS to include a comprehensive approach to statewide funding. There is an interest to add peer support services for non-eligible Medicaid 1915(i) individuals, including discussions within DHS. The original 2021 DHS budget was classified as a base budget, including certain Optional Adjustment Requests (OAR) for peer support. Research is ongoing whether peer support services approved during the 2019-2021 Session are to be considered as a proper component of a base budget, since inclusion in a base budget would evidence the state's commitment for peer support services. Members commented that additional information and discussion was required to explore the prospects of expanding peer support services within the state's Medicaid plan.

*SB 2089 - ASD Voucher and Supporting HB 1012 Fiscal Note.* Members expressed support for advancing amendments for both [SB 2089](#) and HB 1012 that would ensure full funding of the ASD Voucher Program and related program improvements.

CARLOTTA MCCLEARY MADE AND TERESA LARSEN SECONDED A MOTION INSTRUCTING BHPC LEADERSHIP TO SUBMIT TESTIMONY, ON BEHALF OF THE BHPC, TO INCLUDE WITHIN HB 1012 FULL FUNDING FOR THE AUTISM SPECTRUM DISORDER VOUCHER PROGRAM BASED ON ITS EXISTING FUNDING LEVEL OF \$1.3 MILLION FOR THE BIENNIUM. THE MOTION PASSED UNANIMOUSLY. MR. GALLAGHER ANNOUNCED THE PASSAGE OF THE MOTION.

Teresa Larsen and Emma Quinn will work to draft and submit testimony in support of full funding for the ASD Voucher within HB 1012.

*Inclusion of Grant Writer FTE within DHS.* Members observed that there exists a need for the DHS Behavioral Health Division to add an FTE for a grant writer to support Aim 12 within the state's behavioral health strategic plan. Members weighed the option of seeking an FTE or additional operating funds to support a grant contractor, but elected to pursue the FTE option, at this point.

TERESA LARSEN MADE AND CARLOTTA MCCLEARY SECONDED A MOTION EXPRESSING THE BHPC'S SUPPORT FOR THE ADDITION WITHIN HB 1012 OF ONE FULL-TIME EQUIVALENT GRANT WRITER WITHIN THE DEPARTMENT OF HUMAN SERVICES - BEHAVIORAL HEALTH DIVISION'S BUDGET TO SUPPORT AIM 12 ACTIVITIES WITHIN THE STATE'S BEHAVIORAL HEALTH STRATEGIC PLAN. THE MOTION PASSED UNANIMOUSLY. MR. GALLAGHER ANNOUNCED THE PASSAGE OF THE MOTION.

Teresa Larsen volunteered to draft amendment language to provide to the Senate Appropriations Committee to support this proposal.

**Public Comments.** No members of the public were present and no comments were submitted.

**Adjournment.** Having completed the work of the committee, Greg Gallagher adjourned the meeting at 12:08 PM, CT.

**Next BHPC Legislative Committee Meeting:** Friday, March 26, 2021, at 11:00 AM, CT.

Respectfully submitted,
