Community Transition Services provide a team of professionals who coordinate to create a plan for individuals to transition from a facility into the community with the services they need to live in the most integrated setting.

This webinar will provide an overview of the transition services offered through the North Dakota Money Follows the Person Grant and other transition services. Presenters will explain the services, general eligibility requirements, how services are funded, and how to access services to supporting transitions back to the community.

Older adults and adults with physical disabilities, family members, caregivers, guardians, and community entities are encouraged to join us to learn more.
