## MEETING NOTES

### Updates

Jorden has been busy traveling doing educational trainings through local public health Bill tracking during session.  
 Jorden has applied through NASTAD and was one of the 13 individuals to be accepted to the program. Working with Cody Severson on Safe Zone certification program. This program will be designing a training series to get people certified in Safe Zone and utilizing the information for minorities and people of color.  
 The taskforce hasn't worked in the last few months. Will be meeting with Tracy Miller and going forward with the IRB approval process for the survey that will be launching through PRIDE.

### Special Guest – Holly Scott, FCPH Public Information Officer – Presentation Attached to Minutes

Holly presented on Tobacco Prevention Media Campaign, 2023. This campaign is focusing on creating messaging and prevention for the LGBTQ2S+community.

### Open Discussion

Discussion on HB1474, which could affect what is going on with data collection and mental health.

**Next Meeting: May 30, 2023 - 5:00 p.m. to 6:00 p.m.**
