

NORTH DAKOTA
FULL-SERVICE COMMUNITY SCHOOLS CONSORTIUM

An Introduction to North Dakota Full-Service Community Schools (NDFSCS)

WHO WE ARE

We are a Consortium representing a variety of ND schools and organizations who are passionate about helping ND students and families succeed.

WHAT WE DO

We partner with local leaders to coordinate comprehensive support in areas such as wellness, workforce readiness, and academic enrichment to help students, families, and communities thrive.

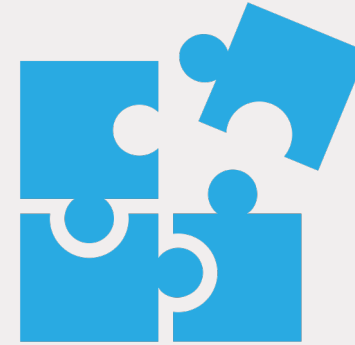

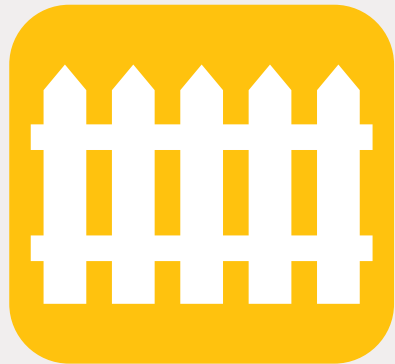

WHY WE DO IT

Students cannot learn with their basic needs are not met. Not all schools have the resources to meet all needs. NDFSCS supports schools and community partners in navigating these challenges together.

The realities of ND students, families, and schools

Not all students come to school ready to learn due to various barriers.

Not all schools are equipped with the resources to provide for student and family need.
