Chore Service, Specialized Equipment and Supplies, and Environmental Modification will provide the supports, accessibility, and equipment needed to allow individuals to live comfortably and safely in the most integrated setting.

This Webinar will provide an overview of Chore Labor Services, Specialized Equipment and Supplies, and Environmental Modification offered through Home and Community-Based Services. Presenters will review a description of these services, how they may be funded, and general eligibility requirements. Attendees will learn how these services may be utilized to support individuals in their communities.

Older adults and adults with physical disabilities, family members, caregivers, guardians, and community entities are encouraged to join us to learn more.
