A special needs child is a child legally available for adoptive placement and who is seven years of age or older; under eighteen years of age with a physical, emotional, or mental disability or has been diagnosed to be a high risk for such a disability; a member of a minority; or a member of a sibling group.

Provider inflation for the 2nd year of the biennium was not given on 7/1/2016 due to the February 2016 budget allotment.

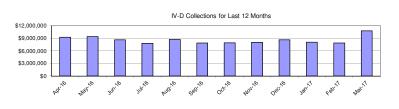

Section 7: CHILD SUPPORT

## PROGRAM NOTES:

<u>A IV-D case</u> receives full services and is created when the program receives an application for services from one of the parents, a referral from a department program (TANF, Foster Care, and Medicaid), or a request for assistance from another state's program.

<u>A NonIV-D case</u> is one in which there is a child support order but the program has not received an application, a referral, a request for assistance or which was previously a IV-D case that was subsequently closed.

\*Percent of Biennium Expired 87.5% - Payments for TANF, SNAP, and Adoption are made at the beginning of the month for the current month. Payments for Foster Care are made the last day of the month for the current month. Therefore 21 months of payments have been made or 87.5% (21/24) of the biennium has expired.

Medicaid Expansion	21,325	20,629	(696)
Total	93,005	92,185	(820)

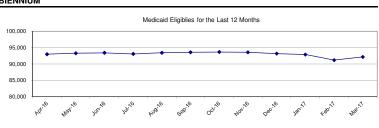

PROGRAM NOTES:

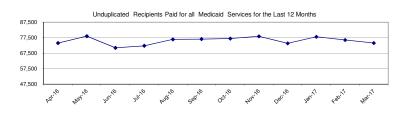

Eligible's include all Medical Assistance, Medicaid Expansion, and Long Term Care Continuum eligibles with the exception of SPED and Expanded SPED.

The State's monthly count of Medicaid Eligible individuals for Calendar Year 2016 has been restated. The Department has been transitioning to a new eligibility system and it was discovered the previous number of eligible individuals were understated. The Medicaid Expansion Eligible numbers were also updated for that same timeframe with the most current data available.

For the last twelve months approximately 44% of the above eligibles were under the age of 21, 9% were classified as aged, 12% were disabled, 12% were adults, and 23% were covered under Medicaid Expansion

Fluctuation in recipients is due to the timing of when claims are received and processed for payment. The recipient numbers shown on the graph also include those for whom a Medicaid Expansion premium was paid.
