Subsidized Adoption Expenditures for Last 12 Months

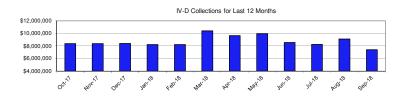

SECTION 7: CHILD SUPPORT

PROGRAM NOTES:

A IV-D case receives full services and is created when the program receives an application for services from one of the parents, a referral from a department program (TANF, Foster Care, and Medicaid), or a request for assistance from another state's program.

A NonIV-D case is one in which there is a child support order but the program has not received an application, a referral, a request for assistance or which was previously a IV-D case that was subsequently closed.

*Percent of Biennium Expired 62.5% - Payments for TANF, SNAP, and Adoption are made at the beginning of the month for the current month. Payments for Foster Care are made the last day of the month for the current month. Therefore 15 months of payments have been made or 62.5% (15/24) of the biennium has expired.

SECTION 11: MONEY FOLLOWS THE PERSON APPROPRIATION 2017-2019 BIENNIUM \$3,415,320

PROGRAM NOTES:

The Money Follows the Person program started in 2008 and assists people who want to move from institutional settings to the community. The program is also designed to increase community-based long term care services and supports.

In the last three calendar years all of the transitions were to a home living arrangement.

The appropriation contains funding for contractual services, which includes transition coordination services, outreach services, recipient transitional costs, and other housing and support services.
