DURABLE MEDICAL EQUIPMENT MANUAL

COVERAGE AND LIMITATION CRITERIA POLICY

EFFECTIVE: MARCH 2007

REVISED: April 2024

HEARING AIDS

Indications and limitations of coverage and medical appropriateness:

Under 21 years of age:

- Hearing loss averaging of 30 dB or greater at frequencies 500, 1000, and 2000 Hz (Avg. of 30 dB)
- Binaural hearing aids (including Bi-Cros) will be considered if documentation supports the medical necessity and meets hearing loss criteria.

21 years of age or older:

- Hearing loss of 40 dB or greater at frequencies 500, 1000, and 2000 Hz (Avg. of 40 dB)
- Binaural hearing aids (including Bi-Cros) will be considered if documentation supports the medical necessity and meets hearing loss criteria.

Hearing Aid Purchase Includes:

- The hearing aid and standard accessories/options required for properly operating the hearing aid(s).
- Proper fitting and instruction in the use, care, and maintenance of hearing aid(s).
- An initial one-year warranty against loss or damage.
- Maintenance, cleaning, and servicing to be provided for the first year of ownership.
- Provision of a written copy of the purchase agreement.

COVERAGE AND LIMITATION CRITERIA POLICY

EFFECTIVE: MARCH 2007

REVISED: April 2024

HEARING AIDS

Dispensing fee to include:

- Adjusting the hearing aid to the member, including necessary programming on digital and digitally programmable hearing aid(s). Limited to 3 visits to the dispenser's office.
- Instruction and counseling the member/caregiver on the use, care, and maintenance of hearing aid(s).
- Fitting and modifications of the hearing aid(s).
- Freight, postage, delivery of the hearing aid(s).
- A dispensing fee can only be billed once per hearing aid(s) for the operational lifetime of that hearing aid(s).

Hearing Aid Repairs:

- All warranties and insurance must have expired.
- A practitioner's signature is not necessary for repairs that are medically necessary.
- Damage due to maltreatment, misuse, and/or tampering by the member/caregiver is the responsibility of the member.
- The repair service provider must include a written warranty against all defects for a minimum of six months at no extra charge to ND Medicaid.
- Minor repairs that can be completed in the dispenser's office and cost \$250 or less to acquire do not require a service authorization.
- A service authorization is required for major repairs that require the hearing aid(s) to be "sent out" to a repair service provider for repair with an acquisition cost greater than \$250.
- A second repair within six months of a previous repair requires a service authorization, **regardless** of the cost of the repair.

HEARING AIDS

- A copy of the repair service provider invoice or manufacturer invoice must accompany the service authorization and/or claim. A quote will be accepted for service authorization requests only and will be manually priced at \$00.01. Once the provider receives the purchase invoice, it must be attached to the approved service authorization, and an email must be sent to the DME Administrator requesting the previously approved \$00.01 be revised based on the attached invoice.
- Repairs are reimbursed at 20% above the invoice acquisition cost minus any taxes, shipping, and handling fees.

Hearing Aid Replacement

- Hearing aids are replaced only if medically necessary.
- Hearing aids are not replaced before five years from the purchase date without service authorization.
- Replacements may be allowed more frequently for members under 21 years of age if circumstances are documented justifying the medical necessity.
- Hearing aids lost when a member is in a facility are the facility's responsibility to replace, and the facility cannot bill the member or ND Medicaid.
- Ear molds for behind-the-ear/BTE hearing aids are covered.

Documentation Requirements:

- Certificate of Medical Necessity Prescription/order from prescribing physician/practitioner for the hearing aid(s).

DURABLE MEDICAL EQUIPMENT MANUAL

COVERAGE AND LIMITATION CRITERIA POLICY

EFFECTIVE: MARCH 2007

REVISED: April 2024

HEARING AIDS

- An audiogram must be performed by an audiologist or licensed hearing aid dispenser and must accompany the service authorization form. When medically necessary, a diagnostic evaluation may be sent with the prior in place of the audiogram and a supporting narrative (e.g., when an audiogram is unattainable).
- Audiologist's notes.

Additional Documentation Needed for Replacement Requests sooner than 5 years:

- Change in the member's hearing status.
- Purchase date of the existing hearing aid(s).
- The condition of the existing hearing aid(s) and why they are no longer able to meet the member's current hearing needs.

Billing Guidance:

- Providers are required to bill their usual and customary charges for the purchase and dispensing of a hearing aid(s). The usual and customary charge is the amount the provider charges for the same service when provided to non-Medicaid patients.
- Service requests and claims must use the purchase modifier NU and the appropriate laterality modifier(s) LT (left) and RT (right). The LT/RT modifiers should not be used when requesting the dispensing fee or hearing aid batteries HCPCS codes V5160, V5241, V5090, V5110, and V5266.
- Laterality modifiers (RT/LT) should not be used when requesting binaural hearing aids.
- Procedure code V5299—hearing service miscellaneous—is used only when no other code describes a specific hearing instrument or supply. Misc. codes require service authorization and an itemized invoice for manual pricing.
- Monaural users are allowed four batteries per month. Binaural users are allowed eight batteries per month. Batteries **DO NOT** require a service authorization.

Date Revised

Revisions

June 2017

Reformatted and revised. Added clarification for required documents/documentation.

November 27, 2019

Deleted from Hearing aid purchase to include section, at the fourth bullet - "Providing the member with" and replaced with "provision of"

Deleted under Major Repairs section at the first bullet "with an" and replace with "when the".

Added under Major Repairs at the second bullet "however the actual invoice must be kept in the member's file by the DME provider and be able to be produced in the event of an audit".

September 1, 2022

Reformatted and revised. Under 21 years of age section added bullet 2 "Binaural hearing aids (includes Bi-Cros) will be considered if documentation supports the medical necessity and meets hearing loss criteria." Hearing Aid Purchase Includes section added bullet 4 "Maintenance, cleaning, and servicing to be provided for the first year of ownership."

Merged Major and Minor repairs under Hearing Aid Repairs. Hearing Aid Repairs section added bullet 8 "A copy of the repair service provider invoice or manufacturer invoice must accompany the service authorization and/or claim. A quote will be accepted for service authorization request only and will be manually priced at \$00.01. Once the provider receives the purchase invoice it must be attached to the approved service authorization and an email sent the DME Administrator requesting the previously approved \$00.01 be revised based on the attached invoice." Hearing Aid Replacement section added bullet 4 "Hearing aids lost when a member is in a facility is the facility's responsibility to replace and cannot bill the member or ND Medicaid." Documentation Requirements section bullet 2 replaced "60 with "90". Billing Guidance section added bullet 2 "Service request and claims must use the purchase modifier NU and the appropriate laterality modifier(s) LT (left) and RT (right). The LT/RT modifiers should not be used when requesting the dispensing fee HCPC codes V5160, V5241, V5090 and V5110." Non-covered section added bullet 2 "Binaural hearing aid for members over the age of 21. When a member has a hearing aid prior to becoming eligible for ND Medicaid and it is functional, ND Medicaid will not cover another hearing aid regardless of payor source." Non-covered section added bullet 3 "Hearing aids lost
