## Overview

### *Introduction*

The Child Care and Development Block Grant Act (CCDBG) (42 U.S.C. 9857 *et seq.*), together with section 418 of the Social Security Act (42 U.S.C. 618), authorize the Child Care and Development Fund (CCDF), the primary federal funding source devoted to supporting families with low incomes afford child care and increasing the quality of child care for all children. The CCDF program is administered by the Office of Child Care (OCC) within the Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services and provides resources to State, Territory, and Tribal governments via their designated CCDF Lead Agency.

CCDF plays a vital role in supporting family well-being and child development; facilitating parental employment, training, and education; improving the economic well-being of participating families; and promoting safe high-quality care and learning environments for children when out of their parents' care.

As required by CCDBG, this CCDF Plan serves as the State/Territory Lead Agency's application for a three-year cycle of CCDF funds and is the primary mechanism OCC uses to determine Lead Agency compliance with the requirements of the statute and regulations. CCDF Lead Agencies must comply with the rules set forth in CCDBG and corresponding ACF-issued rules and regulations. The CCDF Plan is a fundamental part of OCC's oversight of CCDF and is designed to align with and complement other oversight mechanisms including administrative and financial data reporting, the monitoring process, error rate reporting, audits, and the annual Quality Progress Report.

### *Organization of Plan*

In their CCDF Plans, State/Territory Lead Agencies must describe how they implement the CCDF program. The Plan is organized into the following sections:

1. CCDF Program Administration
2. Child and Family Eligibility and Enrollment and Continuity of Care
3. Child Care Affordability
4. Parental Choice, Equal Access, Payment Rates, and Payment Practices
5. Health and Safety of Child Care Settings
6. Support for a Skilled, Qualified, and Compensated Child Care Workforce
7. Quality Improvement Activities
8. Lead Agency Coordination and Partnerships to Support Service Delivery
9. Family Outreach and Consumer Education
10. Program Integrity and Accountability

### *Completing the Plan*

This revised Plan aims to capture the most accurate and up-to-date information about how a State/Territory is implementing its CCDF program in compliance with the requirements of CCDF. In responding to plan questions, Lead Agencies should provide concise and specific summaries and/or bullet points as appropriate to the question. Do not insert tables or charts, add attachments, or copy manuals into the Plan. A State/Territory's CCDF Plan is intended to stand on its own with sufficient information to describe how the Lead Agency is implementing its CCDF program without need for added attachments, tables, charts, or State manuals.

OCC recognizes that Lead Agencies use different mechanisms to establish CCDF policies, such as State statute, regulations, administrative rules, policy manuals, or policy issuances. Lead Agencies must submit their CCDF Plan no later than July 1, 2024.

### *Review and Amendment Process*

OCC will review submitted CCDF Plans for completeness and compliance with federal policies. Each Lead Agency will receive a letter approximately 90 days after the Plan is due that includes all Plan non-compliances to be addressed. OCC recognizes that Lead Agencies continue to modify and adapt their programs to address evolving needs and priorities. Lead Agencies must submit amendments to their Plans as they make substantial policy and program changes during the three-year plan cycle, including when addressing non-compliances.

### *Appendix 1: Implementation Plan*

As part of the Plan review process, if OCC identifies any CCDF requirements that are not fully implemented, OCC will communicate a preliminary notice of non-compliance for those requirements via an emailed letter. OCC has created a standardized template for Lead Agencies to submit as their 60-day response to that preliminary notice. This template is found at Appendix 1: Lead Agency Implementation Plan. This required response via the Appendix will help create a shared understanding between OCC and the Lead Agency on which elements of a requirement are unmet, how they are unmet, and the Lead Agency's steps and associated timelines needed to fully implement those unmet elements.

### *CCDF Plan Submission*

CCDF Lead Agencies will submit their Plans electronically through the Child Care Automated Reporting System (CARS). CARS will include all language and questions included in the final CCDF Plan template approved by the Office of Management and Budget (OMB). Note that the format of the questions in CARS could be modified from the Word version of the document to ensure compliance with Section 508 policies regarding accessibility to electronic and information technology for individuals with disabilities.
